FILLS ONBOARD

Are you ready for some spectacular winter diving?

We believe anyone who truly enjoys their diving feels the need to get in the water at least a couple of days every month. We also know how hard it is during the winter to keep your enthusiasm going - so we're making it easy for you.

Between May and September we have arranged 10 days where we will be specifically targeting 10 of the most exciting and spectacular dives at the Poor Knights Islands.

And to make the deal even sweeter we are offering 10 amazing prizes for the keenest divers out there!

Details

Join OceanBlue and TechDive NZ aboard Mazurka, where you will experience live-aboard diving at it's best. You can sign up for just one weekend, or all of them, and come along knowing you will be sailing out specifically to dive the best spots. On each weekend you have the opportunity to do up to 7 dives, which includes a night dive, something you can't do on normal day boats.

PRIZES

We are offering 10 great prizes. The first diver to dive all 10 sites (or the greatest number of sites by the end of the 10 days) wins a free weekend of diving with OceanBlue. And the first 9 divers who complete 6 dive sites win a half-price weekend with OceanBlue.

The Costs

The cost for two days of diving is \$360, which is discounted from the usual \$220/day. This cost includes your accommodation on board on Saturday evening; lunch both days, Saturday evening meal and Sunday Breakfast - plus lots of snacks. All your air fills whilst on board are included.

The catch?

Incredibly there is NO catch! The costs to come diving on these trips are the same as they would be if you booked independently. There is no charge to enter the competition and there is no minimum number of trips you must do. In fact you have everything to gain and nothing to lose.

As the months progress we will give regular updates in the TDNZ newsletter so everyone will know how all the divers are doing and who is in front in the race to do all 10 sites first and claim the free weekend. And you don't even have to worry if you're not winning - unless disaster strikes there is easily enough time for any keen diver to earn a half-priced weekend.

Who can come on these trips?

Anyone can come along on these trips, you don't need to be a technical diver to do these dives.
